

CARE & MAINTENANCE...

Finish:

For a long lasting finish, periodically clean and wax the exterior surface. Touch-up scratches as soon as you notice them on your unit. Immediately clean the area with a wire brush; wash it and apply touch-up paint per manufacturer's recommendation.

Roof:

Keep the roof clear of leaves and snow with long handled, soft-bristled broom. Heavy amounts of snow on the roof can damage the unit, making it unsafe.

Fasteners:

Regularly check your unit for loose screws, bolts, nuts, etc., and retighten as necessary.
